

FACTORS TO CONSIDER WHEN SELECTING A SECURITY OPERATIONS CENTER (SOC) VENDOR:

- US-Based

- Ability to demonstrate physical presence (not outsourced)

- True 24x7x365 (because cybercrime happens around the clock)

- Assigned Dedicated Cybersecurity Advisor

- Company has service offerings that address gaps in both compliance and security.

- Company has more than one location for redundancy? Prepared for disaster?

Discover the difference
of forward-thinking IT.
