## Ways To Defend Against COVID-19 Cyber Scams

Avoid clicking on links in unsolicited emails and be wary of email attachments.

Use trusted sources—such as legitimate, government websites—for up-to-date, fact-based information about COVID-19.

Do not reveal personal or financial information in email, and do not respond to email solicitations for this information.

Verify a charity's authenticity before making donations. Review the Federal Trade Commission's page on Charity Scams for more information.

Review CISA Insights on Risk Management for COVID-19 for more information.
